

Genesis Call Accounting for Hospitality

Genesis Express Series Call Accounting

Cost Analysis, Guest Billing, Telecom Statistics, PMS Integration & more...

Genesis has been providing superior Telecom solutions to the Lodging Industry for more than 30 years. Genesis ability to collect & bill call records in real time, apply your surcharges and markups and post to your Property Management System automatically, reduces guest check-out time and the possibility of costly mistakes. Genesis is compatible with all telephone systems that produce CDR (call detail records) and most Property Management Systems (PMS). Genesis is easy to learn and use, even for your most inexperienced staff.

Genesis Express Call Accounting is simply the most advanced economical option for your small to medium-sized hotel / motel or Retirement Facility for tracking and billing calls, without the additional features our professional version offers. With Genesis Express Call Accounting you can expect accurate call reporting and billing, remote Assistance, and much more...
